THEFT OF A DUMPER TRUCK

GESTINGTHORPE UPDATE

UPDATE since last week's newsletter

With respect to suspects unknown who stole a Dumper Truck, by masked men, from the drive of a house.

Crime number EP-202609Z1-0095.

The security camera footage of the theft from the house and even though one of the thieves was shining a bright light into the camera lens it was able to make out the gait of one of the thieves which was the gait of one of the thieves is distinctive and it seems to be very similar to the gait of one of the thieves who was involved with the theft of the cash machine from Nat West bank in Halstead.

So if anyone has any information please telephone Essex Police 101 or Do It Online or contact Crimestoppers..

NIGHT POACHING

CRESSING

Saturday 19th September 20:00hrs

Our rural engagement officers seized a quadbike following reports of night poaching.

Fortunately, rural engagement officers were nearby and, with the support of Specials carrying out a road safety operation in the area, were able respond within minutes.

PC James Nickless says section 59 of the Police Reform Act 2002 allows police to seize any vehicle being driven in an anti-social manner.

"We won't tolerate poaching and hare coursing, which causes great distress to our rural communities. Seizing vehicles linked to such criminal activity helps to disrupt it," he explains.

If you see or suspect poaching or hare coursing is taking place, call 999 to report a crime in progress.

Please supply as much information as you can – such as vehicle details, a precise location (What3Words is useful for this) and descriptions of the people involved – but don't put yourself at risk to do so.
