From the Parish Council

From the Chair

Welcome to the September/October edition of the newsletter.

What a summer it has been! I don't think any of us will forget just how hot and dry it was for weeks on end — the allotment team have been kept busy keeping everything watered (thank you to Anoush for keeping the water flowing!), and I know many of us were glad to finally see some proper rain arrive. It's been a relief for gardens, allotments and lawns alike, and a timely reminder of how quickly the seasons turn — as you'll see from Paul Thompson's allotment notes, it's already time to think about garlic, broad beans and getting ready for the first frosts.

It has also been a busy couple of months for the Parish Council. Qualitas Energy attended our July meeting to present their proposals for a large-scale solar installation on the Robin Hood End site, and it's clear from the questions raised on the night that this is a subject residents feel strongly about, with many expressing real concern about the loss of farmland to industrial-scale development. If you have views on the proposal, I'd encourage you to make sure they're submitted through the correct planning channels so they can be formally considered. We're also aware of a number of call for sites submissions and rumours of other planning applications circulating in the village, and I want to reassure residents that the Parish Council is keeping a close eye on all of these and will keep you informed as anything concrete comes forward.

On a lighter note, it was wonderful to see the Pétanque court cleared and back in action on Tuesday evenings — do come along if you fancy a sociable hour in the playing field. The Village Show is fast approaching on 12th September, and I'd love to see as many entries as possible, however modest — as Ann Read says, just one class would be fantastic! Looking further ahead, please put Saturday 24th October in your diary for our Community Litter Pick, and do consider whether you might have an hour or two to spare to volunteer at the Community Shop, the Village Hall, or the Doctors' Car Service — all of these rely on local goodwill to keep going.

Thank you, as ever, to everyone who gives their time to make Toppesfield and Gainsford End such a special place to live.

Parish Council Information

A summary of Parish Council goings-on at the July and August meetings:

At the July meeting:

Qualitas Energy gave a presentation about their plans for the Robin Hood End Solar Farm Project and took questions from the public - details of this can be found on the minutes for the meeting.

Cllr Richard van Dulken reported:

- That he has been elected by the Council as its Chairman for the 2026/7 Civic Year.
- Wethersfield - as residents will no doubt be aware, unfortunately the anticipated closure of the migrant centre in mid 2027 has been postponed by national government, with now no date of closure promised and an increase in residents from maximum of 800 to maximum of 1,245. Braintree DC and Sir James Cleverly have objected strongly.
- Church fete - it was my pleasure to be involved on the Local Art Exhibition stand in the Church as well as attending in my chairman role.
- Local Government Reorganisation - despite announcements by the Essex County Council administration, BDC is continuing its work with Colchester, Tendring and ECC officers towards the creation of Northeast Essex Unitary Council in 2028.
- The financial position of BDC is positive at the end of the 2025/6 Financial Year, with a positive £2.1 million variance which has allowed us to freeze the BDC portion of Council Tax for the current year.
- The updated Local Plan needs to be presented to the Planning Inspectorate by end of December. As residents are aware there are no significant impacts on the Toppesfield/Stambourne/Gainsford End area.
- I note the recent planning application for a single house off the Causeway - 26/00765/FUL - which appears to be outside the village envelope.
- Waste and recycling - the initial month of the new arrangements has gone relatively smoothly, and residual waste tonnage is down (good) while all elements of recycling are up (also good). We are of course aware of some issues such as capacity and this will be reviewed in a couple of months by which time residents will be used to the new system and when clear patterns and volumes are established.
- Please ensure that applications are forthcoming for grants from the Councillors' Community Grant.
-

Parish Council Information continued.

Other business in the July meeting included:

- Footpath 13 and 48 cross fields. - Landowner has cleared the footpaths.
- Quote to scan and digitalise historic parish newsletters has been accepted.
- Correspondence re parking issues along Church Lane have been received and noted.
- Highway issues in Camoise Close have been reported but they are not a priority for Highways, issues reported will be monitored by Highways.

At the August meeting:

- County Cllr Nathan Robins reported:
- The pothole emergency update – repairs for the period April – June is up 30% for the same period in 2025. From May to July 5000 potholes have been addressed across the county and by 14 July 8200 Highways defects have been addressed, this includes drainage issues. A JCB pothole pro machine will be coming to Essex for a trial period; this machine should be quicker at repairing potholes.
- The Robin Hood End Solar development – we are in talks with the cabinet but these are limited as we are not the planning authority, decisions lie with Braintree District Council.
- 100-day plan ends mid-August. The 40-item plan can be found on the Essex County Council website. Concerns are being raised on the new bin collection system and increased littering. There is a backlog on SEND applications for EHCP plans.
- Local Government reorganisation – if the unitary authorities go ahead, we will have the highest demand for adult and child social care.
- Housing targets have more than doubled, Essex is asking for this to be reviewed as there is a declining birth rate so why are more houses needed. However, there is a 1000 shortfall in houses for the local plan targets so smaller sites are being looked at.
- Bin collections are causing issues for some residents. The system will be reviewed in the Autumn. However, residents can apply for extra bins at a cost to themselves.

Cllr Richard van Dulken sent in the following report:

- As I saw you just a few weeks ago, and this is the quietest time of the civic year, I have little to add at this time but would like to advise that I will be attending the Planning Forum meeting on the Robin Hood solar park proposal, at Causeway House on the 11th, and will aim to speak to your representative before that date - though as you will be aware it is not an appropriate forum to express views on the proposal.
- Regarding Local Government Reorganisation, nothing substantial to add as we still await the Structural Changes Order from central government which will give more detail of the changes in Essex, in particular the number of Councillors per unitary and their Wards or Divisions. This may be approved by Parliament in early December.

Parish Council Information continued.

- Still on LGR I would also like to assure the Parish Council and residents generally that despite a comment I recently heard that LGR should be resisted because (and I quote) “there are no officers in Braintree, Colchester and Tendring with experience of adult or social care” unquote, those involved in the switch of responsibilities to the new North East Essex unitary authority would certainly not agree. As you are probably aware Essex County Council has an excellent reputation for social care and would not have achieved this status without having appropriately trained and experienced staff in all parts of the County.
- Re Wethersfield, no changes from my report on the 13th July, as the migrant centre prepares to accept larger numbers of migrants, up to the newly imposed upper limit of 1,245 which is the number of beds available.

Other business in the August meeting included:

- Following the RoSPA report areas requiring work have been identified and the higher priority ones are being progressed.
- Five policies were approved and adopted.
- More frequent litter picks are being progressed by Cllr Fordham.
- Christmas event was discussed.

Full minutes of each meeting can be found on the parish website:

[Minutes - Toppesfield Parish Council \(e-voice.org.uk\)](https://www.e-voice.org.uk/minutes-toppesfield-parish-council)

If you have any concerns you would like to raise with the Council, ideas for projects or anything you would like to parish council to consider please do get in touch or attend the open session at a Parish Council meeting. There is a public session held at the start of every parish council meeting from 7.30pm —7.45pm.

Parish Council meetings are normally held on the first Thursday of each month but please check the website for confirmation.

Toppesfield and Gainsford End Village Show 2026

Saturday 12th September
Toppesfield Village Hall 2.00pm

Show day is fast approaching. I do hope you have been keeping an eye on your flowers, fruits and vegetables and well as practising your baking, needle, photo and paintbrush skills.

There is something for everyone in the show and I do hope you are going to enter. Just one class would be fantastic.

There is going to be an amazing raffle, stalls by local suppliers and games, competitions and fun activities for all. Then when you have had a look around the exhibits sit and enjoy a delicious strawberry cream tea and catch up with friends.

Dates to note

Thursday 10th Sept bring your entry forms to the **village hall** between **7.00pm and 8.00pm** to collect your exhibitor's cards. If you can't get to the village hall on Thursday evening you can leave your **entry forms at the shop by 1.30pm Wednesday 9th** and I will sort your exhibitor's cards for you. Please note the **age must be on the children's entry forms.**

Saturday 12th Sept Please bring your entries , complete with exhibitor's cards to the **village hall between 8.30am and 10.00am.**

Saturday 12th Sept 2.00pm Come and check on your entries and enjoy the show.

Donations for the raffle will be most welcome and can be left at the shop.

I am looking forward to seeing you and your exhibits at the show.

Ann Read

St. Margaret of Antioch Toppesfield

Chairs.....£1.50 each

TOPPESFIELD

Community Shop

Could you spare just a few hours each month to help keep our wonderful Community Shop thriving?
Our shop is at the heart of the village, providing a valuable service and a welcoming place for residents and visitors alike.
We rely on volunteers to keep it running, and we're always delighted to welcome new faces.

Why volunteer?

Meet new people and be part of a friendly team.
Learn new skills – full training is provided.
Help support a vital community asset.
Give back to your village in a rewarding and enjoyable way.
Whether you can help regularly or occasionally,
every hour makes a real difference.

If you'd like to find out more or are interested in joining our volunteer team,
please pop into the shop and speak to one of our volunteers.

Be part of something special – help keep

Toppesfield Community Shop at the heart of our village!

Toppesfield Walking Group

The Thursday walkers have had a very dry couple of months trending the footpaths around the parish. We have favoured walks when it is hot weather which have some shady parts. One of our favourite pathways is The Yeldham Path from the pump down Church lane with the Church on the right, down to the byway till just before the last bungalow in its own grounds - where you turn left onto the footpath which follows the fields.

Across the footbridge and down the side of the field on the right keeping the drainage ditch to the left as you approach the woodland, there is a pathway into the woods of about 300 yds which exits the woods over a wooden bridge. At this point turn right for 50 ft then left till you arrive at Yeldham playing fields there are numerous exercise appliances to use FOC.

Catch your breath and return the same way! 3.8 miles. And very Flat!

We all meet at 10 am at the Pump opposite the Green Man Pub on a Thursday Morning and leave 5 mins later.

New members always welcome. Please just turn up and announce yourself. Stout walking Boots or Shoes advised.

Regards Paul Thompson

Toppesfield Allotments

Paul Thompson - Chair, Clare Thompson - Admin, Linda Pritchard - Fundin and Community Herbs
Anoush - Chief Watering Administrator

September and October is the big switch-over on a UK plot - finishing summer crops and getting set for winter. For Halstead, first frosts can come late October, so you've got a window.

September

Harvest peak:

- Maincrop potatoes, sweetcorn, courgettes, marrows, beetroot, carrots, French & runner beans, tomatoes, turnips, apples, autumn raspberries, figs, blackberries

Sow / Plant:

- **Overwintering onions** - 'Electric', 'Shakespeare', 'Senshyu Yellow' all month
- **Spring cabbage** - get last plants in early September, net against pigeons
- **Winter lettuce** - 'Winter Density', 'Brighton', 'Lobjoits Green' - direct sow, fleece if needed
- **Flowers & bulbs** - plant daffodils, crocus, tulips, hardy cyclamen coum for winter colour, sow sweet peas in modules in cold frame

General jobs:

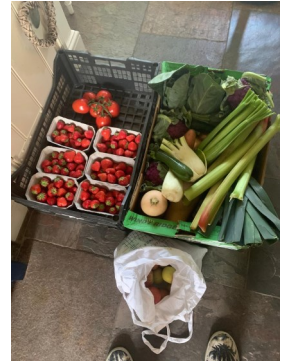

- Order garlic and winter broad beans for next month
- Cut bean/pea tops and leave roots in ground to return nitrogen, compost the tops
- If potato haulms are getting tired, cut them to ground level to stop blight reaching tubers
- Sow green manure like 'Winter mix' on any bare patches to stop nutrients washing out
- Apply nematodes for slugs while soil is still warm and moist

October

Harvest before frost:

- Pumpkins, squash, gourds, last sweetcorn, maincrop apples & pears, beetroot, carrots, chard, leeks
- Lift any remaining potatoes, grade them and store only perfect ones in dark, frost-free place
- Bring in green tomatoes to ripen with bananas, or make chutney

Sow / Plant - this is prime planting month:

- **Garlic** - plant in well-drained fertile soil, hardneck 'Kingsland Wight' if cold
- **Overwintering onions & shallots** - net them until rooted so birds don't pull them
- **Broad beans** - 'Aquadulce Claudia' mid-month in modules or sheltered ground
- **Peas** - hardy 'Douce Provence' with fleece/cloche, or in cold greenhouse
- **Salad** - 'Winter mix' and 'Winter Density' lettuce, 'White Lisbon' spring onions, Rocket 'Scorpion' for windowsill
- **Fruit** - perfect time for bare-root fruit trees/bushes, new strawberry bed 'Marshmello', rhubarb crowns, figs in containers
- **Flowers** - autumn-sown sweet peas, spring bulbs, hardwood cuttings of currants, gooseberries, lavender

General jobs:

- Clear spent crops - take down bean wigwams, cut back summer plants and compost healthy material only (no blighted potato/tomato foliage or clubroot brassicas)
- Keep weeding as beds become exposed
- Sort compost - add manure now to rot for next year, get a second bin if you only have one
- Stay off wet soil - use planks to avoid compaction
- Plan ahead - order fleece, cold frame, list what worked/didn't, and make the most of light before clocks go back

We have a spare plot if anyone is thinking about Joining us.
Call me on 07824 665915

Paul Thompson

digigo

on demand

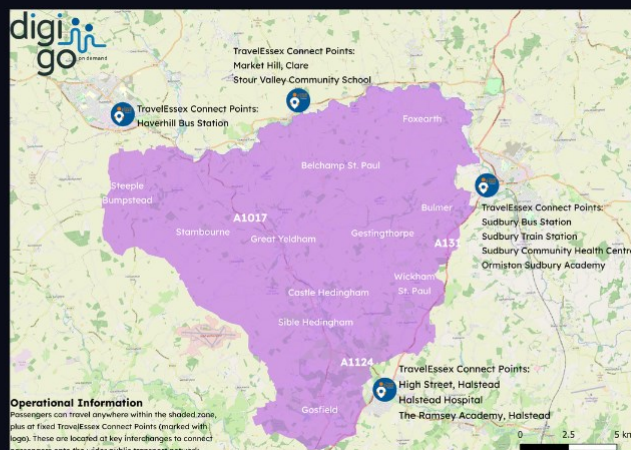

DigiGo is coming to your area!

From 26 July 2026, DaRT services will become DigiGo. Following Essex County Council's Bus Network changes, residents will soon benefit from DigiGo, a flexible, demand-responsive transport service designed to make local travel easier and more convenient.

DigiGo is an on-demand public transport service that allows you to book journeys when you need them, rather than following fixed bus routes and timetables.

We're offering FREE travel for all passenger types until 31 August 2026. Whether you're commuting, shopping, visiting friends or exploring somewhere new, now's the perfect time to give the service a try – completely free of charge.

For more information visit: www.digigo.uk

How do I book?

Book your journey up to 7 days in advance by calling 03330 137138 (Monday–Friday, 9am–5pm). Next day journeys must be booked by 5pm on the previous working day.

Booking line will be open from 23 July for travel from 26 July.

Coming soon: Once things bed in, DigiGo will introduce the TravelEssex app for the new Travel Zones; offering booking, payment, live tracking and real-time updates in the palm of your hand.
